Alcohol: 12.6%

RS: 4 g

VA: 0.37

TA: 6.75

pH: 3.23

Total SO2: 73

Free SO2: 22

Tasting Note:

This Sauvignon Blanc is a textbook version of our Beamsville Bench style. Crisp acids balancing weight, texture and lively aromatics. All the usual suspects are here as warm-year tropical notes mingle with citrus and the telltale Sauvignon Blanc gooseberry and lemongrass aromatics. The great concentration and length are indicative of the 2024 warm growing season, allowing the grapes to be picked at peak ripeness.
