VA: 0.4

TA: 6.53

pH: 3.28

Total SO₂: 79

Free SO₂: 22

Tasting Note:

Another warm, dry vintage has gifted us a generous and ripe Sauvignon Blanc showing mango, yellow plum and grapefruit on the nose and palate. With the first sip you notice concentrated flavour, weight and texture all balanced by crisp acidity and freshness. This duality is achieved by carefully blending stainless steel and neutral oak fermented components to create a wine greater than the sum of its parts.
